Not included in the price:

Insurance of any kind; International and domestic travel before and after the hunt; Preparation, shipping or transporting of trophies from Russia; Cost of sightseeing tours; Ground transportation unrelated to hunting; Gratuities.

Itinerary

Day 1: Arrival to St. Petersburg and transfer to the hunting lodge.

Day 2-8: 7 days of hunting

Day 9: return to St. Petersburg for a flight home.

Details: Russian European moose population does not have as high density as other European countries, like for example, Sweden, but Russia offers by far better trophies. The usual trophy is similar to Canada moose found in Ontario and Quebec. The temperature can range from 0 to +15° C. Hunters should bring water proof tall boots, gloves and camo silent clothes. Brown bear can be added during the first half of September.
